

“Evangelization is the task of the Church.”
- Pope Francis

If we want to be effective in leading people to a life-giving relationship with Christ, we need to be formed and trained in how to do it.

Our parish is offering the **relit: The Heart of Evangelization** training program so that we as a parish, and you as individuals, may more fully live out our fundamental mission of Evangelization.

relit: The Heart of Evangelization is an exciting and integrated set of talks which help to form the participants theologically, spiritually, and practically so that we can be active evangelists in the Church.

By receiving this formation you will not only be renewed in your personal call as a Catholic, but will also be able to support our parish and our diocese, leading others to be renewed in the same spirit.
